

[SIMILARLY-SITUATED CLASS REPRESENTATIVES' MOTION – EXHIBIT 3 OF 4]

The Honorable Judge Christina Reiss

April 18th, 2015

United States District Court for the District of Vermont

Vermont Allen v Dairy Farmers of America Inc.

No. 5:09-CV-230-CR

NE Dairy Settlement Communication

11 Elmwood Ave

Burlington, VT 05401

Firstly, I would like to thank your honor for turning down the settlement in this case. I would also like to express my opinion, that I believe that the farmers need counsel whose motivation is justice and not greed. And should your honor grant new counsel, that they have the wisdom to ask the court to direct financial recovery from the CEO of DFA and The Board of Directors.

As we speak its business as usual at DFA, as work is starting on building a palace for the Emperor ,(a new office complex), with farmer's money, while farmers are facing crippling low milk prices for 2015.

All the CEO and employees of DFA need is a barn with cubicles, to do their work, and a big sign on the entrance that reads, " YOU WORK FOR FARMERS ACT LIKE IT!!!"
